AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the

Attorney Docket No.: Q80148

application:

LISTING OF CLAIMS:

(currently amended): A fishing rod comprising:

a rod pipe;

a tubular body to which the rod pipe is inserted and fitted;

a tubular transparent synthetic resin body integrally molded with the tubular body;

a non-transparent concealing film formed on at least one edge face portion of the

synthetic resin body;

a grip portion to which the tubular transparent synthetic resin body is fixed with the

concealing film disposed therebetween; and

an adhesive agent for fixing the grip portion and the concealing film formed on the

transparent synthetic resin body.

wherein the tubular body and the tubular transparent synthetic body are formed from

different materials, integrally molded together.

2. (previously presented): The fishing rod according to claim 1, wherein the tubular body is

formed by winding fiber-reinforced prepreg prepared by impregnating reinforced fiber with

synthetic resin, and an outer peripheral surface of the tubular body is visually discernible through

an outside surface of the synthetic resin body.
